No British Journal of Medical Practitioners

The British Journal of Medical Practitioners has adopted a "Continuous Publication" model from the beginning of year 2010 publishing articles online as soon as they are peer reviewed and copy edited

Spacetime Wikipedia

Introduction Definitions Non relativistic classical mechanics treats time as a universal quantity of measurement which is uniform throughout space and which is separate from space Classical mechanics assumes that time has a constant rate of passage that is independent of the state of motion of an observer or indeed of anything external Furthermore it assumes that space is Euclidean
