Programmed learning Wikipedia

Programmed learning or programmed instruction is a research based system which helps learners work successfully. The method is guided by research done by a variety of applied psychologists and educators. The learning material is in a kind of textbook or teaching machine or computer. The medium presents the material in a logical and tested sequence. The text is in small steps or larger chunks.

PDF Generational differences in workplace behavior

PDF Popular stereotypes suggest that generational differences among workers present challenges for workplace managers. However, existing empirical research provides mixed evidence for

Checking My Privilege Character as the Princeton Tory

There is a phrase that floats around college campuses, Princeton being no exception, that threatens to strike down opinions without regard for their merits but rather solely on the basis of the person that voiced them: "Check your privilege." The saying goes, and I have been reprimanded by it several times this year. The phrase!
