Game Wikipedia

A game is a structured form of play usually undertaken for enjoyment and sometimes used as an educational tool Games are distinct from work which is usually carried out for remuneration and from art which is more often an expression of aesthetic or ideological elements However the distinction is not clear cut and many games are also considered to be work such as professional players of

The best ways to transfer money internationally Expatica

Transferwise TransferWise is a new type of financial company that allows customers to send money internationally at a fraction of the cost that most banks and providers charge

Human overpopulation Wikipedia

Concern about overpopulation is an ancient topic Tertullian was a resident of the city of Carthage in the second century CE when the population of the world was about 190 million only 3â€“4 of what it is today He notably said What most frequently meets our view and occasions complaint is our teeming population
