AP Chemistry Wikipedia

The 2014 AP Chemistry exam was the first administration of a redesigned test as a result of a redesigning of the AP Chemistry course. The exam format is now different from the previous years with 60 multiple choice questions now with only four answer choices per question, 3 long free response questions and 4 short free response questions.

AP World History Wikipedia

Advanced Placement World History, also known as AP World History, WHAP, AP World, or APWH, is a college-level course and examination offered to high school students through the College Board's Advanced Placement Program, designed to help students develop a greater understanding of the evolution of global processes and contacts, as well as interactions between different types of human society.
