## **Help desk Wikipedia**

A help desk is a resource intended to provide the customer or end user with information and support related to a company's or institution's products and services. The purpose of a help desk is usually to troubleshoot problems or provide guidance about products such as computers, electronic equipment, food, apparel, or software. Corporations usually provide help desk support to their customers.

## **Wikipedia Help desk Wikipedia**

New users: While this is a good place to ask questions, new users may prefer to ask for help at the Teahouse, an area specifically for new users to get help with editing, article creation, and general Wikipedia use in a friendly environment.
